Our vision is to solemnly cherish and uphold justice and the rule of law.

JUVENILE DELINQUENCY: PSYCHOLOGICAL & SOCIO- LEGAL PERSPECTIVES

Children are the most valuable resource of any nation. Taking care of the youth population is one of the foremost issues in India right now. The issue pertaining to juvenile offenders who are always at risk of social exclusion require special, organized and effective response from the state and society.

AIMS AND OBJECTIVES

The aim of the event is to bring the researchers, jurists, academicians, practitioners, and students together in order to learn and share their legal knowledge.

The objective of the conference is to discuss and make deliberations:

- To promote the importance of the Juvenile Laws in India;
- To create awareness about the emerging juvenile crimes that are impacting all stakeholders in the sociological, psychological and legal ecosystem.
- To identify the areas of crimes committed by juveniles and need for further evolution of law and policy.
- To understand sociological and psychological theories of juvenile delinquency.
- To develop a network of legal and other professionals who could contribute in the further development of juvenile jurisprudence across the nation.
