

# 2 DAYS CERTIFICATE WORKSHOP ON CYBER LAWS

## Overview of Workshop

The workshop on cyber laws would provide participants with an overview of the legal framework governing cyber activities in the country. The workshop would cover various relevant topics related to cyber laws including data protection, electronic signatures, cybercrime, and intellectual property rights.

India has several laws and regulations in place to govern cyber activities, including the Information Technology Act, 2000, and the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021. However, many individuals and businesses are still not aware of their legal obligations and rights in the digital space.

This workshop on cyber laws will help bridge this knowledge gap by providing participants with an understanding of the legal framework and best practices for compliance. It will also serve as a platform for discussion and exchange of ideas on emerging issues and trends in cyber laws.

## Objectives of the Course

To understand an overview of cyber laws in India.

To understand different kinds of cybercrimes and the legal framework for prevention of cybercrimes and contraventions.

To provide an understanding of the legal and procedural aspects related to cyber forensics.

To understand different IPR issues in cyberspace.

To understand the law related to the admissibility of digital evidence in India, role of expert and Examiner of Electronic Evidence.

To understand the role of online intermediaries and their role and obligation in investigation of cybercrimes.

To understand the legal and regulatory concerns regarding emerging technologies including AI, Web 3.0, Deepfakes etc.

## Certification

All participants will be provided with a certificate on successful completion of the workshop.

## Fee

The course fee is INR 15000/- which is inclusive of lunch during the scheduled sessions.

## Duration & Location

2 days physical workshop will be conducted offline at NLU Campus.

National Law University, Delhi  
Dwarka Sector-14, New Delhi - 110078
