## ABOUT THE CENTRE

**01** Centre for Corporate and Competition Law (CCCL) Established in 2018 at Symbiosis Law School - Hyderabad aiming to provide a platform for students of the institute to explore and learn more about the nuances of Corporate and Competition Law.

To advance our agenda, CCCL has been successful in conducting multiple landmark

**02** Amongst others, CCCL conducted our flagship event, the first-ever National Corporate Restructuring Competition in India in 2019. We have also spread our roots into banking law by conducting a three-day value-added course on Insolvency and Bankruptcy Code.

Over the past two years, we have invited eminent personalities like Mr. Dhanendra Kumar, first Chairperson of the CCI and Dr. K. D. Singh, Joint Secretary for Law at CCI to conduct webinars on relevant topics.

Competition Law

## **OUTLINE OF THE EVENT**

**Teams of two must be formed from the contestants. There will be twenty-four teams overall, each with two individuals**

**The teams shall be provided with a problem, balanced in a manner which shall compel the teams to enter into a merger which will have a boon and bane.**

**There will be draw of lots; for or against the stance of supporting merger.**

**The objective is to find a way for both merged teams to create a working environment for both the companies involved in the merger and whether the merger will be beneficial or not.**

**At the end, the team should go through the features and characteristics of the amalgamation and point out how each company's values and guiding principles are mirrored in it. The group must also talk about the legal consideration.**

**The team with the best argument wins.**
