About GLIC

The GNLU Legal Incubation Council (GLIC) is section 8 company established by the Gujarat National Law University (GNLU). It provides dedicated platform that supports and nurtures startups and emerging ventures in the legal domain. The main objective of GLIC is to bridge the gap between academia and the legal industry by providing comprehensive support to legal entrepreneurs.

GLIC through its incubation program, offers a conducive environment for innovative ideas to flourish and transform into viable legal enterprises. By fostering a culture of innovation and entrepreneurship, the GLIC plays a crucial role in shaping the future of the legal industry in India. So far GLIC has supported more than 20 innovative projects, funded 17+ Proof of Concepts and around 20 Startups.

GNLU NATIONAL LEGAL IDEATHON

The GNLU National Legal Ideathon is an annual event organized by the Gujarat National Law University (GNLU) in India. It serves as a platform for aspiring enthusiastic legal students to showcase their innovative ideas and solutions to pressing legal issues. The Ideathon encourages participants to think creatively and propose practical approaches to address legal challenges in various domains. It provides a unique opportunity for participants to collaborate, exchange ideas, and receive valuable feedback from experienced mentors and professionals in the field. The event fosters a spirit of innovation, entrepreneurship, & problem-solving, empowering participants to think critically and develop viable solutions that have the potential to create a positive impact on the legal landscape. Through the GNLU National Legal Ideathon, GNLU aims to nurture and encourage the next generation of legal professionals to contribute to the advancement of the legal field.

WHO CAN PARTICIPATE?

- **Students:** Students from various universities and colleges can participate in the Ideathon. This includes both undergraduate and postgraduate students pursuing legal studies.
- At least one team member must be from Law program or Alumni (upto 5 years).

GNLU NATIONAL LEGAL IDEATHON

CATEGORIES

1. IDEATION

In this category, participants are encouraged to think creatively and propose novel solutions, whether they involve technological innovations, policy changes, procedural improvements, or other transformative ideas. The ideation category allows participants to showcase their problem-solving skills, critical thinking abilities, and ability to identify and address emerging legal challenges.

2. PROTOTYPE/POC

This category often involves leveraging technology and interdisciplinary approaches to build innovative tools, platforms, or applications that can streamline legal processes, enhance access to justice, or improve the overall efficiency and effectiveness of legal services.
